REMARKS

The applicant acknowledges and appreciates the interview dated February 9, 2005. A copy of the Interview Summary is attached to this paper.

Claims 43-58 remain in the application. Claims 43 and 51 have been amended above in the manner as discussed in the interview. As agreed to at the interview, all pending claims now overcome the 35 U.S.C. 112 rejection. The applicant respectfully requests that all pending claims be examined on their merits.

No additional costs are believed to be due in connection with the filing of this paper. However, the Commissioner is hereby authorized to charge any additional fees, or credit any overpayment, to our Deposit Account No. 50-1133.

Respectfully submitted,

McDermott Will & Emery LLP
